No regular Thursday night meeting this month. Our annual picnic will be held at Camp Lake Airport on Saturday, August 25. In preparation, there will be a spruce-up day the prior Saturday, August 18. Details below.

In September, the Waukegan Air Show is on the 8th. Our regular September meeting will be September 13.

From the Pres...

Another AirVenture is behind us, but summer is not over. We have our annual picnic at Camp Lake airport the last Saturday in August (25th). This is followed by the Waukegan Air Show and our September meeting.

In preparation for our picnic, we are looking for volunteers to help spruce up the airport prior to the picnic. Jobs include trimming grass, mowing the parking areas, light cleaning, and doing a preliminary set-up. Saturday, Aug. 18 is the scheduled day for

this, with a rain date of Sunday, Aug 19. Weed trimmers are needed. Remember to bring fuel and extra string. Lawn mowers and fuel are provided by Ed Simpson. We would like to get started at 10 AM. With a full crew, we can be done before 3 PM. Lunch and refreshments will be provided.

The picnic will get underway at 11:00 AM on the 25th. The chapter leaders will start grilling burgers, hot dogs, and brats shortly after noon. Along with soft drinks and water, we also supply plates, utensils, napkins, etc, so you don't have to. You are encouraged to bring a side dish to pass

It wouldn't be a picnic without a contest. This year, we will again be judging dessert. If you wish to submit an entry, we make two requests: 1: Please place the dessert on the special Dessert Judging table by **12:30**, and 2: Please include your name on the bottom of the dish. (actually, this is a good idea for all dishes you bring – avoids confusion at the end of the day).

The dessert judging will be done as food is being served (about 1:00), so please have

your entry on the table before then. Winners will be announced after we are done eating lunch. To be fair, if you have had a winning recipe, please do not enter it again in this year's contest. Sort of leveling the runway, as it were.

After lunch, it will be time to socialize and play a few games. VP Dave will supply corn-hole, washers, and other local favorites.

Two weeks after the picnic, we will be flying Young Eagles at the Waukegan Air show. There will be changes this year, as the taxiways at our usual location will be undergoing re-construction. At this time, it appears that we will be operating out of Skill Aviation. Details on traffic patterns and pedestrian flow need to be worked out. We will likely need additional volunteers to direct people to the staging area and to keep them off the active runways. There will be more information at the picnic.

Finally, the September meeting subject is listed at TBD in the calendar. Actually, discussions have been started on how we can serve the varied interests of our chapter members better. The ideas are coming up through the members, and the Chapter leaders welcome the discussion. At our September meeting, we hope to explore these ideas. Actually, more than just explore – some will be implemented immediately. I would like to see more ideas from our members. So come out to the September, bring an open mind and your ideas on how to make the Chapter **your** Chapter.

Blue Skies !

Jim

EAA CHAPTER 414 EVENT CALENDAR 2012

MAY		JUNE	
10	No meeting – Builder Tour this month!	9-10	Work Party Weekend – Oshkosh
12	Builder’s Tour – Kenosha Airport 10 - 3	14	No meeting – See other events this month!

414 Contacts & Information

Warbird Heritage Foundation

The foundation is located on the west side to Waukegan airport. To get there, take Green Bay Road to Beach Road. Take Beach Road east, where it turns into Corporate Drive.

Once past the gate, the meeting will be in the building on the right (closest to the taxiway). Gate opens about 7:15 on meeting nights.

Membership
Expires!

FREE!

Sectional garage door.
8'W x 7'H (single car).

Insulated, white, never been outside! How can that be you ask? It was an interior door that separated shop from garage. I replaced it with a roll-up door, and now have no need for the sectional door. Who wants a door? Can't beat the price. Comes with all hardware, track, etc. Sorry, no electric garage door opener.
