- Special family event in January – details inside!

From the Pres...

December brings our annual Christmas party. You are encouraged to bring something to share in the form of a holiday treat, desert, or snack. This is not a dinner, but a chance to socialize around some tasty holiday dishes. Remember, we start at 7:00 - ½ earlier than normal

In keeping tradition, we will have our Goofy Gift Exchange shortly after 8:00. Rules have not changed: Bring a new (suggest less than \$10) or slightly used (your estimate!) gift to exchange. It should be provocatively wrapped to encourage someone to take it off your hands! Rules of exchange will be read before we start.

Remember, we start at 7:00 for this party. As usual, Chapter will supply coffee, hot chocolate, and other beverages. Please bring a few folding chairs.

On **page 2**, you will find a description of our January event. This is a first for us, and we hope you enjoy the event. The whole family is encouraged to participate. Admission for EAA members is free (bring your card). Thanks to Dan Feldman for putting this together. Remember to bring a check or cash to the Christmas party, as we must pay in advance. See page 2 for details.

Also, **page 3** has a membership update form and survey. Please fill out and bring to the December party. We want to make sure our information is correct and that we understand your interests.

Finally, we will be collecting 2013 dues at the Holiday party. We are switching to a common renewal date of January 1. To synchronize everyone, Dave has calculated what each member owes for 2013, taking into consideration what they have paid so far. See **page 5** for your personal balance. Dues can be paid at the party.

414 Winter Outing

Museum of Science and Industry in Chicago

Our usual January meeting is being replaced by a chapter outing to the Museum of Science and Industry. The plan is to meet at the museum Saturday January 12, 2013 at 10:30 AM and tour more or less as a group. We will then eat as a group and then, for those who wish, attend a screening of the IMAX movie on the Reno Air Races.

EAA members will be able to gain free admission with their EAA card. Guests or family member either need an EAA card or will be able to buy admission at the group rate. Lunches, U-505 tours and IMAX movie tickets must be purchased separately. We must make our reservations by Christmas.

Below is a sign-up sheet. Please add your information and make your reservations for lunches, tickets etc. The reservations need to be made and paid for in advance. The chapter will be collecting the money at the Christmas party and then make the arrangements for the group.

Please make checks out to EAA Chapter 414.
