### Next Event

No regular Thursday night meeting this month. Instead, attend the Work Party Weekend in Oshkosh this Saturday and Sunday (9-10) and / or Young Eagles Rally June 30<sup>th</sup> at Campbell Airport. See you there!

### **From the Pres...**

The 2012 Builder's Tour was a great success this year with weather cooperating and a great turnout. Thanks to everyone that opened their hangar doors and let us peek inside. Also thanks to Bill Butler for allowing us to feed the hungry in his hangar! For those that can't get enough building, Tony Niec will be opening his hangar for a meeting later in the year, and showing us his work on the Sonex.

We canceled this month's business meeting, but that does not mean nothing is going on. Two events are scheduled this month for your pleasure. Coming up this weekend (9<sup>th</sup> - 10<sup>th</sup>) is the annual

Work Party Weekend. There is still time to join us for either one day or both days. We do have people only staying one day, so car pooling rides are available if you cannot stay Sunday. Dave McCormick has provided the following details:

**We will meet at the Midwest Propeller parking lot Saturday June 9<sup>th</sup> at 6:00 am. From there we will car pool to Oshkosh. We will stop for breakfast along the way and arrive around 9:00 am.**

**We will head back to Kenosha Sunday around noon.**

**Key points from EAA's Work Party information sheet:**

**1. Please bring the following items: sleeping bags, pillows, towels, washcloths, soap/shampoo and sunblock.**

**2. We have full shower facilities, with separate sides for men and women.**

**3. Breakfast, lunch and dinner will be provided as well as refreshments at the work site.**

**4. Saturday evening at approximately 6:15 p.m. you may assemble at the east side of the Camp Scholler maintenance facility for transportation and a tour to one of several**

A few more details.... Saturday night we take a pass on the EAA chow line and head to Roxy's Supper Club in downtown Oshkosh. This is the home of the infamous *Roxy Cut* of prime rib. For those that dare, this is a tasty challenge, and a great way to end the day. Personally, I'll probably skip this giant slab of beef, and go with something lighter. If you decide to take the challenge, go easy on the appetizers. For those that have never been to a Wisconsin Supper club, think of Bill Knapp's. Now I am dating myself.

And did someone mention tools? I will be bringing an assortment of Red tools this year. No more being embarrassed by the hand-me down yellow tools. Now we can get some real work done!

So the basic elements of the weekend are 1) we car pool up to Oshkosh early Saturday morning, with an ETA of 9 AM, 2) check in at the Bunkhouse (if you plan to stay overnight – most do, but not mandatory – car pool available to return home Saturday evening – check with Dave), 3) Get our assignments, tools, materials, etc., 4) Quit in time for dinner – head to Roxy's, 5) special evening event put on by EAA – does not involve work, 6) Sunday work assignments until noon, then head home.

I encourage everyone that has the time to participate. This is a great team building event, is productive, and fun, all at the same time. Personally, I find this a very satisfying event, as what we accomplish will be seen and used by thousands. Visitors may not know what goes into putting the convention together, but you will, and you will have been part of it. So come along! You will be glad you did!

End of June is our next Young Eagles Rally. It will be at Campbell airport in Grayslake, and promises to be a big one. We always draw a crowd. Mark Saturday, June 30<sup>th</sup> on your calendar. Pilots should plan to arrive about 8:15, ground volunteers about 8:30. If you have questions, call Burton at (224) 484-0414. Use this number to check for last minute weather updates, also.

I have updated the calendar, and a new copy is enclosed. Seems I got a few dates wrong. The latest calendar is labeled "Revised, June 1, 2012".

Finally, Kim Spath wanted to pass along the following notice about another event this weekend:

*Family and friends of Virginia Rabung will be honoring her at the Poplar Grove Airport (C77) June 10, 2012. EAA chapter 1414 will be having a pancake breakfast that day. Weather permitting, at 10:30 we plan to have a missing aviatrix formation flight honoring Virginia. You can check <http://www.eaa.org/calendar/eventdetail.aspx?id=12986> for times and directions or e-mail me at [dhstadt@ameritech.net](mailto:dhstadt@ameritech.net) . I am sure we all have Virginia stories we would like to share with others.*

**Blue Skies !**

*Jim*

## EAA CHAPTER 414 EVENT CALENDAR 2012

MAY		JUNE	
10	No meeting – Builder Tour this month!	9-10	Work Party Weekend – Oshkosh

# 414 Contacts & Information

## *Warbird Heritage Foundation*

The foundation is located on the west side to Waukegan airport. To get there, take Green Bay Road to Beach Road. Take Beach Road east, where it turns into Corporate Drive.

Once past the gate, the meeting will be in the building on the right (closest to the taxiway).
