**09** Chapter meeting  
**30** Board meeting

**From the Pres...**

Biennial Chapter elections are over, and the chapter has a new Secretary assuming office January 1. The current officers welcome Mike Fazio to the membership team. Mike, thanks for volunteering !

I also want to thank Jim Coskey for taking over duties of Membership chairman. Jim's first task is updating our membership roster. EAA has requested an up-to-date roster as part of our annual Chapter registration process. Since we have not done this for some time, I have asked Jim to verify all information on our roster before submitting it to EAA later this month. If you are wondering why Jim is contacting you for EAA number, address, e-mail address, etc., this is the reason. It's a dirty job, but someone has to do it!

**Holiday Party**

The **Holiday Party** invitations are in the mail. As

usual, EVITE is being used to notify all guests of the event, and provides a means for you to respond whether you plan to attend or not. This system has worked well in the past. It really helps us plan the event. I noticed this year an advertisement is included in the invitation. Sorry about that. Do what I do, and ignore it.

If you are not sure if you will be attending, just check that response. You can update it later if you change your mind. Don't worry if you suddenly find you can make it at the last minute. We can accommodate last minute changes.

This year, the party will be pot-luck, with the Chapter providing the main course of Italian beef sandwiches and chicken. Also provided will be beverages such as soda, coffee, tea, and cider; utensils, plates, cups, etc. As a suggestion, we would like members to bring an appetizer, snack, salad, or dessert, if they can. Chef Jim Coskey will be preparing the main course.

Set-up time is 5:00 to 6:00. We would like to have everything out and ready to eat by 6:15. There is a microwave available for reheating – but remember, there is only 1 microwave.

Joining us this year will be the local CAP youth squadron. They will be touring WHF earlier in the afternoon, then join us at the party. Also joining us will be our friends from the north - Kenosha Chapter 217.

Both Chapters will be presenting their Chapter recognition awards to Chapter members this evening, as we wrap up 2013.

The party will be held in the Warbird hangar. When you first enter the hangar, look for a table with identification badges on it. Since we will have many people attending, we thought it would be time to revive our name badges. I will pre-print as many as possible, but there will be "build-your-own" in the best Experimenter fashion.

### Goofy Gift Exchange

So what is this Goofy Gift Exchange mentioned in last month's *Shorelines* and in the party invitation? Basically, it is a fun gift exchange with a few rules. Participation is purely optional. Here are the rules:

- ❖ The gift must have a paltry value...say \$12.78 or less. Used is even better.
- ❖ It must be wrapped in a festive manner to obscure its true identity.
- ❖ Aviation related is a bonus.
- ❖ It should be tacky.
- ❖ Tacky + aviation is the ultimate gift.

When you arrive, place your gift(s) on the gift table, and take one claim ticket per gift deposited. After dinner, the gifts will be distributed in the following manner:

- The Game Meister will announce one claim ticket number. If you are holding that claim ticket, you may approach the table and take one gift (picking) or you may exchange your claim ticket for a gift someone has already picked (stealing). The unfortunate victim may immediately

claim another gift from the table or may steal a gift. Do not open the gifts yet!

- A gift may be stolen a maximum of 3 times.
- The Game Meister will continue to call claim ticket numbers until all presents have been claimed. Picking and stealing mayhem will continue.
- When all presents have been distributed, everyone will have one last chance to exchange gifts, but there is no stealing. Now is the time for Dealing. Did I say time? Yes, all deals must be completed in 90 seconds, and the Game Meister will be counting.
- Finally! Everyone can open the gifts and see what treasures they received. I can assure you everyone will be amused, happy, and/or planning on what they will re-gift next year.

### New Baby

Member George Pantelic has just adopted a Murphy Renegade project. George invites interested members to examine the aircraft. Call George at (773) 265-1423 to make arrangements.

# 414 Contacts & Information

## *Warbird Heritage Foundation*

Monthly meetings are held at the Warbird Heritage Foundation on the second Thursday of the month. Meetings start at 7:30 PM. The foundation is located on the west side to Waukegan airport. To get there, take Green Bay Road to Beach Road. Then take Beach Road east, where it turns into Corporate Drive.

Once past the gate, the meeting will be in the building on the right (closest to the taxiway). Gate opens about 15 minutes prior to meeting.

See map on the last page of this newsletter.

## Membership

All dues are payable in January for the calendar year. Members that join in mid-year should contact the treasurer to determine the pro-rated dues for their first year. To pay your dues, only \$24 per year, see Dave Smith at the next meeting or mail your check made out to "EAA Chapter 414" to:
