From the Pres...

Weather again played a major role in our latest YE rally, held on June 22. With over 80 Young Eagles scheduled to fly, predictions of poor weather conditions forced the cancellation of the event on Friday night. Per our policy, notification was sent out to all registered participants. A few did not get the message, and did show up. Taking advantage of occasional breaks in the weather, we were able to put together a few flights, and fly 17 Young Eagles. We will accommodate the Young Eagles that were not able to fly in future rallies.

The Work Party weekend actually had good weather. That is a first for an event this year! 414 members participating included John and Michael Flesher, Dave McCormick, and Jim Hull. From 217, Tom and Jason Howard, long with Dave and Matt Baughman participated. Projects this year included painting new menus boards for the

upgraded food services this year, dismantling unused bleacher sections, cutting grass, modifying buildings for new uses, and building a bird house (don't ask).

While we were there, we got a look at the changes being made to the grounds. There are plenty. This month's chapter video will highlight some of these. Head of Maintenance Steve Taylor shows the changes being made just 1 week before we arrived. Also, see the article in this month's *Sport Aviation*.

As I write this, we just finished another successful Wings and Wheels event at Kenosha airport. Members of Chapter 217 and KPA put on a great show, with static displays, flying review, informational displays and a flight simulator. Local Boy Scouts prepared a pancake breakfast, while 217 offered lunch to all attendees. Local car clubs participated with a car show, filling the parking lot at the terminal. No estimate on the attendance at this time, but it was steady all day long. Food sales were brisk, and we had to restock several times to meet the demand. Make plans to attend next year!

Be aware that this month, we are not meeting on our usual second Thursday of the month, or in our usual location. Dan Feldman, President of

Windline International, maker of Sirocco Land Sailors and VooDoo boat dollies, has invited all members, their families, and other interested parties to a cook-out at the factory (located right behind the residence). This event will be **Friday, July 19**. See notice below. Dan will also display his aircraft project, which is now on gear. Lawn chairs will be in short supply, so bring 'em if you have 'em. Food and libations will be supplied. Mosquitoes are not allowed in the subdivision, but just in case, there will be a can or two of "OFF" on display to discourage any offenders of subdivision rules.

AirVenture kicks off July 29, so a lot of chapter members will be found in Oshkosh, volunteering. If you have the opportunity, share a little time at the volunteer center during your stay. There is plenty to do at the convention, even if only for a few hours.

August will be a really busy month for the chapter. We **will** have our regular meeting on August 8, as we have 3 major events in the weeks following. Camp Lake picnic, the B17 visit to Waukegan, and Waukegan Air Show all happen in quick succession in the weeks between the August and September meetings. We need everyone's participation in the August meeting to prepare for these events.

See you at Windline!

Blue Skies !

Jim

Wind Line Skunk Works Tour and Weenie Roast

July 19th, 2013 from 6:30 to ???

@

Wind Line International
15121 W Clover Lane
Libertyville, IL 60048
USA

Please join the Feldman family at the "world" headquarters for a low tech, non-gourmet social evening. The shop will be open for a look see and we will light up a bon fire if the conditions are right. Menu will consist of dogs on the Bar B, chips and drinks. All ages welcome, bring friends if you wish.

RSVP by July 15 is requested so we know how much food to get. 847-327-9128

You need not bring anything but your selves (although if you happen to own folding chairs, please bring a few. Seating will be at a premium).

Daniel Feldman
(President)

414 Contacts & Information

Warbird Heritage Foundation

Monthly meetings are held at the Warbird Heritage Foundation on the second Thursday of the month. Meetings start at 7:30 PM. The foundation is located on the west side to Waukegan airport. To get there, take Green Bay Road to Beach Road. Then take Beach Road east, where it turns into Corporate Drive.

Once past the gate, the meeting will be in the building on the right (closest to the taxiway). Gate opens about 15 minutes prior to meeting.

See map on the last page of this newsletter.

Membership

All dues are payable in January for the calendar year. To pay your dues, only \$24 per year, see Dave Smith at the next meeting or mail your check made out to "EAA Chapter 414" to:
