**INSIDE THIS ISSUE:**

- 2** Fly-In
- 3** Contacts

Our first Annual Fly-In has come and gone, and while it was not hugely attended, it was a great learning experience for all participants. Sam Battaglia has circulated a brief survey, looking for input on what we did well, not so well, and what suggestions you might have for improving the event for next year. Please send in your response, or come prepared to discuss at our next Chapter meeting.

Speaking of which, there is some confusion over

whether there is a chapter meeting this month. There was some discussion about cancelling the meeting this month due to the many activities in July. However, since it was posted in last month's Shorelines and is on our calendar, I would like to go ahead with the scheduled meeting **this Thursday**. Most importantly, we need to get your feedback on the Fly-In while it is still fresh in your mind.

As a re-cap, below are the topics raised in Sam's survey:

**The location and time of the event?**

**Fly-in only versus, fly, drive, walk in?**

**Food - variety, quality and quantity?**

**The organization of the event. How could it be done more effectively?**

**How would you change the organization of the volunteers, if at all?**

**Should the fly-in be an annual event or be held more frequently? If so, how often, when and where should it be held?**

**In addition to looking at and talking about airplanes and flying, what additional activities could be held? e.g. aerial demonstrations, contests, games, etc.**

**Kindly add your extemporaneous comments; anything that comes to mind.**

**We mean it; ANYTHING!**

Oshkosh has many opportunities to volunteer. I have volunteered at the main admissions building for many years. Not only do we sell wrist bands,

programs, and give you your annual Champion sticker, we also answer questions, explain the day's events, and give suggestions on what to see. First timers have a lot of questions! We can also check your membership status and accept your renewal of dues. This week, Chairperson Mary Krapfl sent out the following:

*Hi all,*

*If you know of anyone that may be interested in volunteering at EAA and helping at Admissions Main Gate North, we would appreciate it.*

*Our need is outside directing our visitors to an open window where the visitor can purchase a wristband.*

*We also could use volunteers to operate admission computers.*

Mary

If you are interested, I can put you in contact with Mary. Excellent training is provided if you want to operate the terminals, and lunch is free!

Other opportunities are listed daily at the Volunteer Headquarters. An Admissions volunteer will happily guide you to it.

A lot has been changed and upgraded for Oshkosh 2014. Many buildings have been replaced or relocated, along with other site improvements. We will show you what is new for 2014 at Thursday's meeting.

Finally, what is with the picture on the first page? Glad you asked. While driving Route 66 in the last few weeks, I noted this mural in Pontiac, IL. As many of you know, mural painting was often done during the depression to earn money to travel west in the hope of finding a job. Recently, many along Route 66 have been recreated by local preservationist groups. I found quite a few with an aviation theme, along with other aviation artifacts. Next month, I'll share photos of some vintage homebuilts.

See you Thursday!....

# 414 Contacts & Information

## *Warbird Heritage Foundation*

Monthly meetings are held at the Warbird Heritage Foundation on the second Thursday of the month. Meetings start at 7:30 PM. The foundation is located on the west side to Waukegan airport. To get there, take Green Bay Road to Beach Road. Then take Beach Road east, where it turns into Corporate Drive.

Once past the gate, the meeting will be in the building on the right (closest to the taxiway). Gate opens about 15 minutes prior to meeting.

See map on the last page of this newsletter.

## Membership

**All dues are payable in January** for the calendar year. Members that join in mid-year should contact the treasurer to determine the pro-rated dues for their first year. To pay your dues, only \$24 per year, see Dave Smith at the next meeting or mail your check made out to "EAA Chapter 414" to:
