From the Pres...

Our 2014 Kenosha Builder’s Tour was a great success. Even the weather cooperated. Thanks go out to all the exhibitors and participants. Also, a big Thank You to 217 for providing the lunch!

Now on to the Next Big Thing! Our first every Fly-In is only **1** week away! Your Fly-in team has been working hard to prepare for this. New Tower Manager Darrell Haskett met with us, and proposed a special procedure to ease our aircraft parking issues. This is a big deal, because the original plans to park aircraft behind the adjoining buildings works only if no aircraft need to be moved out of the hangars. If anything needed to be moved, we potentially would have to move

every parked aircraft out of the way. Not good. The new plan will eliminate this risk.

To help prepare for this event, all volunteers must be at this Thursday’s Chapter meeting. You will receive your assignments, get schedule information, and your name tags (if you ordered them). We will also have special breakout meetings for certain groups (marshalling, food service, docents, etc.). Most members were contacted a few weeks ago about volunteering. You need to be at this meeting. Even if you were not contacted, or you can now help, please attend this meeting. We need all hands on deck for this one.

Breaking news: EAA Warbird Chapter 4 requested permission to attend the Fly-In. After much deliberation (NOT!), I said Sure! Note that this will require additional marshalling personnel.
