NEW MEETING TIME!!!!!!

7:00

From the Pres...

Note the change in meeting time! The time change was suggested at the last Board meeting. Additionally, we will devote time at the beginning of the meeting as a social segment, since for many members, this is the occasion to catch up on the previous month's events. More importantly, it will allow us more time to meet and greet visitors to the Chapter meeting, instead of rushing headlong into our agenda. Finally, we will attempt to wrap up the meeting by 9:30. Especially important as we get into the bad winter months. So let's try this out. Let your Board members know what you think!

The Ice Cream social was well received last month. We went through almost 40 giant hot dogs and 3 gallons of ice cream. It was great to see a lot of new faces, even though I spent most of the time hovering over the grill. We will continue doing some sort of social event every quarter in place of a formal meeting. If you have some ideas on what type of event you would like to see, let us know. We want to make this fun for the whole family!

If you every wanted to see how a professional acrobatic performer performs in front of an audience of their peers, then you need to attend the Dacy "picnic" in October. Several members of the Chapter attended last year, and it was a blast. Essentially, it is a pot-luck lunch followed by an impromptu air show performed by Dave Dacy, Susan Dacy, Tony "Wingwalker" Kazian, and others. You never know who will show up,

but the acrobatic box is open all afternoon for acrobatic flying. This event honors the memory of Dave Dacy Sr., who started Dacy Airshows flying a Super Stearman. His children have carried on the tradition. This is a very laid back event. No strangers here. Everyone is very outgoing, and love to talk.

The event is held at Dacy Airport in Harvard, IL. You are welcome to drive in or fly in (grass strips). Last year, there were many experimental, antique, and classic aircraft on display. Members from other local EAA Chapters will be in attendance, but it is still a small event. Bring a lawn chair, dress for the weather, and if you can, bring a dish to pass. I believe the date will be October 5, but I will confirm this. More information will follow.

EAA produced an excellent video review of this year's Airventure. As usual, pilot and videographer Slick also has his twist on Air Venture. Both will be used at our Chapter table at this weekend's Waukegan Airshow as we explain to the public the various sides of EAA. Both videos will also be shown at Thursday's meeting. Really brings back the memories of a few weeks ago, even if I didn't get to see the bush pilots doing their fantastic short landings and take-offs. Gets your blood pumping for Airventure 2015.

One final note – I will be in Reno for a little air race this week, so cannot make the meeting. VP Dave McCormick will take the controls this month. I trust you will be kind to Dave.

And finally.....

Remember **7:00, NOT 7:30!**....

Blue Skies ! Jim

414 Contacts & Information

Warbird Heritage Foundation

Monthly meetings are held at the Warbird Heritage Foundation on the second Thursday of the month. Meetings start at 7:00 PM. The foundation is located on the west side to Waukegan airport. To get there, take Green Bay Road to Beach Road. Then take Beach Road east, where it turns into Corporate Drive.

Once past the gate, the meeting will be in the building on the right (closest to the taxiway). Gate opens about 15 minutes prior to meeting.

See map on the last page of this newsletter.

Membership

All dues are payable in January for the calendar year. Members that join in mid-year should contact the treasurer to determine the pro-rated dues for their first year. To pay your dues, only \$24 per year, see Dave Smith at the next meeting or mail your check made out to "EAA Chapter 414" to:
