This month's topic: **Engine out!**

### From the Pres...

**F**irst up for this month is the Young Eagles rally **this Saturday** at Kenosha. With over 130 signed up, so far, this is shaping up to be our biggest rally of the year. We can always use help, especially with as large an event as this one. Volunteers are needed for ground activities – escorting Young Eagles and parents to and from the aircraft, registration, stuffing document packages, answering questions, etc. If you can, come out between 8:00 and 8:30 for orientation. Rally starts at 9:00 and runs until 1:00. Meet at Kenosha airport terminal building, in front of the tower. Thanks!

**F**lying always gets the adrenaline flowing; as we all know. Sometimes, events can increase this level significantly. As when the finely tuned music of the engine ceases – and you are not on terra firma. An engine failure in flight always gets your attention!

This month, Tye Hammerle will talk about his recent experience piloting his Stearman as it transformed into a glider, what caused this sudden change, and what it took to get it back into the air. Don't miss this one!

Finally, by now you have heard that the Waukegan Airshow has been cancelled for this year. The two day show was an ambitious project that got derailed at the last minute by a few greedy neighbors. As a result, a community was deprived of a major summer event that would have rivaled the Chicago air show. The good news is that the show will be back next year. It will be scaled back to a one day event to avoid problems with certain neighbors. Mark **September 10, 2016** on your calendars! We will open our "Aviation Mall" at the 2016 Waukegan Air Show.

No minutes. Too busy eating hot dogs at hot dog social!

*Respectfully submitted:*

*Mike Fazio, Secretary*

## *August / September EAA Webinars*

Sit back in your favorite chair, log into the EAA website, and enjoy a discussion on a topic of interest! The EAA webinars are presented by flight instructors, mechanics, manufacturers, and others knowledgeable in the subject matter. These live multimedia presentations are informative and interactive, allowing the presenter to use slides and audio, while audience members can ask questions, chat, or be polled for their opinion.

For more information on these and future EAA webinars visit the EAA website. Then navigate to /Education & Resources/multimedia/webinars for descriptions and schedule.

### WARBIRD HERITAGE FOUNDATION 3000 CORPORATE DRIVE

Chapter meetings are held at the Warbird Heritage Foundation on the second Thursday of the month. Meetings start at 7:00 PM. We are located on the west side to Waukegan airport. *Do not take Lewis Avenue to Beach Road, as Beach is interrupted by runways.* To get to us, take Green Bay Road to Beach Road. Then take Beach Road east, through the security gate, where Beach becomes Corporate Drive.

Once past the gate, the Warbird Heritage Foundation is in the last building on the right (closest to the runway). Gate opens about 15 minutes prior to meeting.

For information on the Warbird Heritage Foundation, go to [WarbirdHeritageFoundation.org](http://WarbirdHeritageFoundation.org).
