Waukegan Tower Tour

Saturday, Jan 10

See details below

From the Pres...

Thanks to everyone that attended our annual Christmas party in December. The food was terrific, as well as the opportunity to reunite with friends and family. To kick start the new year, we have another event that members and their families are sure to find interesting. This event will replace our regular Thursday night meeting.

Waukegan Airport Tower Manager Darrell Haskett has offered to open the tower for a Chapter tour this month. We have scheduled the tour for the afternoon of Saturday, January 10. Since the tower can accommodate only a few visitors at a time, we will take turns making the tour. Here is how it will work:

PIZZA! PIZZA! PIZZA!

We will start by ordering pizza. Plan to arrive at Warbird Heritage Foundation at noon. Pizza will be delivered at 12:30. When you get there, sign up for an available tour time slot. We can take 5-6 people per tour. Sign up list will be on the

round table. Pizza on the kitchen counter. Drinks in the plastic tubs.

First tour will start at 1:00. While waiting your turn, we will host “mini – workshops” to practice on your home building skills, or to try something new. Not quite the level of our full presentations, but everyone will get a chance to get hands-on experience in any one of several skill building techniques.

The Tower Tour is open to all ages, so bring the whole family to see the inner workings of tower operations!

To assist us in ordering food, it would be helpful if members planning to attend respond to me with a count of how many in your family plan to attend. Please contact me by this Friday. However, if your plans suddenly change, and you decide to come at the last minute, don't worry – we'll have plenty of food.

Editing and publishing the Chapter Shorelines is a vital part of Chapter operations. Not only does it inform the membership of present and future Chapter activities, it informs prospective members of what they can expect of the Chapter. It provides a forum for the members and a reminder of upcoming meetings.

After many years of being your editor, it is time for a new editor to take over responsibilities for our Shorelines. Who is up for it? Who would like to put their creative stamp on our newsletter?

Interested? Contact any of the Board members and let them know you want to make a difference in Chapter operations!

Membership

Special note: If you have not paid your 2015 dues, please do so this month!

All dues are payable by January for the calendar year. Members that join in mid-year should contact the treasurer to determine the pro-rated dues for their first year. To pay your dues, only \$24 per year, see Dave Smith at the next meeting or mail your check made out to “EAA Chapter 414” to:

WARBIRD HERITAGE FOUNDATION 3000 CORPORATE DRIVE

Chapter meetings are held at the Warbird Heritage Foundation on the second Thursday of the month. Meetings start at 7:00 PM. We are located on the west side to Waukegan airport. *Do not take Lewis Avenue to Beach Road, as Beach is interrupted by runways.* To get to us, take Green Bay Road to Beach Road. Then take Beach Road east, through the security gate, where Beach becomes Corporate Drive.

Once past the gate, the Warbird Heritage Foundation is in the last building on the right (closest to the runway). Gate opens about 15 minutes prior to meeting.

For information on the Warbird Heritage Foundation, go to WarbirdHeritageFoundation.org.
