From the Pres...

I am composing this issue of Shorelines from a Best Western motel in Oakhurst, CA, near the south entrance to Yosemite Park. Have been on the road for several weeks with two more to go before returning home. Met a lot of fine people on the road, including having dinner with 6 motorcyclists from Sweden tonight. Traveling in the US is always an enlightening and entertaining adventure.

But enough of me. Last month we had a great tour at Tab-Air in East Troy, where we saw several vintage aircraft in various stages of restoration. Hats off to Sam Tabor and his wife for explaining the history and fun facts about the aircraft. We will make a note to visit them again

next year, as the Foundation Corsair begins to take shape.

This month, we will have our annual Hangar Tour at Kenosha airport. Builders will open their hangar doors in both the West and South hangar areas. See page 2 for a map of the expected exhibitors. I will try and get out early to post identification information on each of the hangars to assist you in finding the participants. Remember that not every open hangar is participating in the Hangar Tour. Please respect the privacy of those not participating.

The tour is self-guided, and doors should be open by 10 AM. Chapter 217 will be serving up lunch in their hangar on the South ramp starting at noon. By 2:00, we wrap things up, so come early to see everything! Remember to bring the attached map! If you don't know the gate code (same for both sides of the airport), call either Dave McCormick (847) 971-6976 or me (262) 620-3219, and we will give it to you. See you there!

WARBIRD HERITAGE FOUNDATION 3000 CORPORATE DRIVE

Chapter meetings are held at the Warbird Heritage Foundation on the second Thursday of the month. Meetings start at 7:00 PM. We are located on the west side to Waukegan airport. *Do not take Lewis Avenue to Beach Road, as Beach is interrupted by runways.* To get to us, take Green Bay Road to Beach Road. Then take Beach Road east, through the security gate, where Beach becomes Corporate Drive.

Once past the gate, the Warbird Heritage Foundation is in the last building on the right (closest to the runway). Gate opens about 15 minutes prior to meeting.

For information on the Warbird Heritage Foundation, go to WarbirdHeritageFoundation.org.
